# REDI RENTAL

15x15 & 20x20 Tents

Customer Set Up Tents

Set-Up Instructions:

1. Lay the tent top on ground with the web reinforced side down.
2. Square off all 4 corners and pull fabric straight and taut.
3. Measure 5 feet from tent at each jumper rope and drive the stakes with hook to outside of the tent.
4. Loop the rope from the wood slider over the hook on the stakes.
5. Stand the poles into the corners of the tent. Be sure the point goes through the grommet and D-ring.
   a. Tighten rope slider enough to keep pole from falling over.
   b. Repeat with balance of the perimeter poles. (It helps to leave the bottoms tipped towards the inside.)
6. Install the center pole(s).
   a. Tie off jump rope.
   b. Stand vertically.
7. Stand perimeter poles to straight. Tighten jumper ropes by pulling up sliders.
8. Hang sidewalls (optional).
